Additional Information:

1. This calendar reflects the provision of thirty (30) school days in the summer term (7/06 – 8/06) since, as per the Regulations of the Commissioner, July 4th/Independence Day "counts" toward the thirty (30) required days when it is the first day of the summer term as well as when it occurs after the summer session has begun;
2. This calendar reflects one hundred and eighty (180) instructional days from September, 2006 – June, 2007;
3. ***This calendar is subject to change in order to insure compliance with contractual and/or regulatory obligations***;
4. Should severe weather or any other emergencies necessitate closures not anticipated in this calendar, in order to meet the criteria for a sufficient number of instructional days, school will be open for staff and students, instead of closed on the following days, in the following order: Friday, May 25, 2007, then, if necessary, Tuesday June 26, 2007;
5. Given adequate notice to families, staff and students, up to three (3) Superintendent Conference Days, when students are <u>not</u> in attendance, will be scheduled within the calendar as proposed above;
6. For purposes of calculating student enrollment, this calendar provides for thirty-eight (38) weeks which meet the regulatory definition of full-time equivalent (FTE) weeks from September, 2006 – June, 2007.
